#CV-95-0517-SA

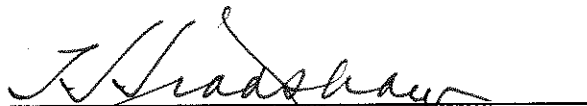

Administrative Order
No. 96-4A

This order evidences compliance with the Mandate of the Supreme Court that a hearing be held to determine whether Mrs. Porter must withdraw from assigned cases and whether new cases can be assigned to her.

Mrs. Porter appeared before the Court and advised that her work load had been reduced; that she was fully capable of handling both her assigned cases and new assignments within the purview of the mandate and the Code of Professional Responsibility, and it is therefore,

ORDERED that Mrs. Porter shall remain assigned the cases she presently has and will receive further cases as matters arise.
